ACCESSORIES

ŠKODA
SIMPLY CLEVER

NEXT LEVEL OF SUPERBNESS

Sometimes you wish to combine beauty and functionality. You want to live a life where style and spaciousness are in harmonious interconnection. Simply you want to have a dream which come true without any compromises. That car would be on fire. And it really is. We call it the ŠKODA SUPERB.

Design and emotions have the same language in the new SUPERB. You will enjoy every moment you drive this car no matter who will be your passenger. Everyone who just catch a sight of the car will admire it.

The SUPERB is counted as another example of our philosophy. We make beautifully designed cars that are the best experience for their users.

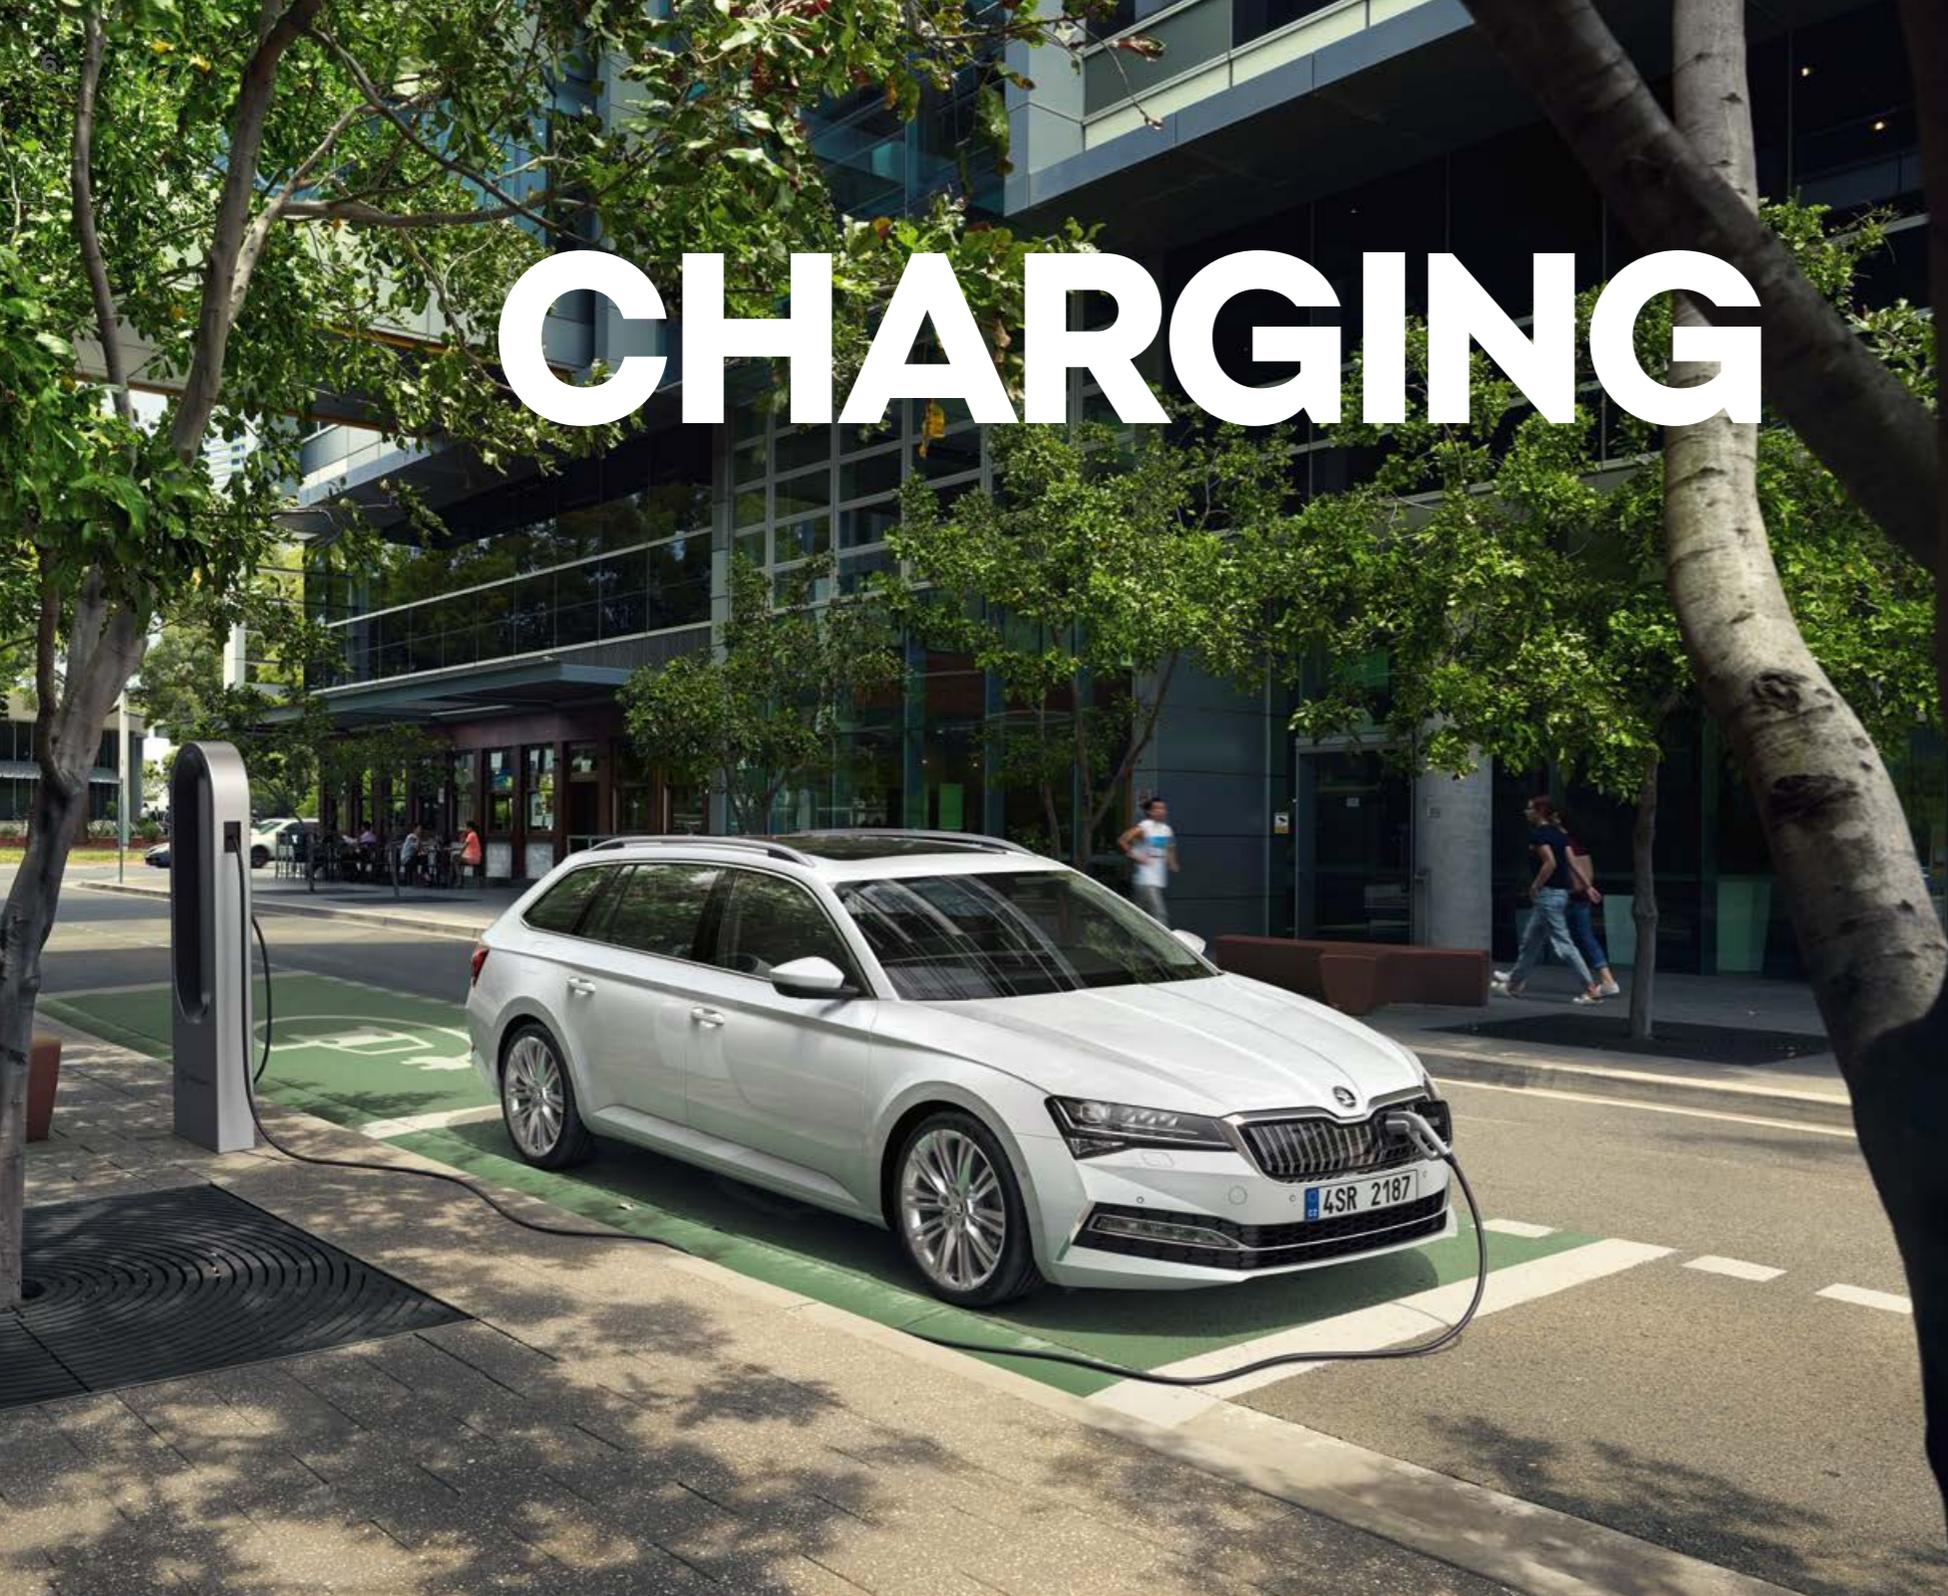

That's Simply Clever. That's ŠKODA.

CHARGING

ŠKODA iV Charger ŠKODA iV Charger Connect ŠKODA iV Charger Connect+ Powered by Elli

the offer and method of purchase varies by country

ŠKODA iV Charger or "wallbox" is a wall-mounted charger for ŠKODA EVs. It delivers electricity to the charging cable. Product is currently offered in three versions.

Charging cable bag

000 087 317BQ

A practical accessory for any electric car, used for carrying the charging cable.

Charging cable cleaner

000 096 150F

000 096 356G | spare sponges

The charger cable cleaner is used for cleaning and/or drying the cable before placing it in the interior of the car or a bag.

Charging set MODE 2

000 054 412AM

The MODE 2 charging set is designed for home charging and represents a great solution for customers who need to charge their car from regular „home“ socket.

Set includes MODE 2 cable (complete) and charging cable cleaner.

Charging set MODE 3

000 054 412AN

The MODE 3 set is designed for public chargers and is an alternative for those stations that are not fitted with suitable (compatible) charging cable.

Set includes MODE 3 cable and charging cable cleaner.

CONNECTIVITY

MyŠKODA

ŠKODA CONNECT AND OTHER DIGITAL SERVICES IN YOUR POCKET

Driving your ŠKODA isn't just about driving. It's the functions, the features, and the personal touches that add up to a brilliant experience. It's the music you play on the way to your destination. It's the security of knowing that great support is never more than a few taps away. Your ŠKODA vehicle is your everyday companion – and thanks to MyŠKODA application you can go even further in interaction with your vehicle.

Use the application to remotely check the status of the vehicle, lock or unlock it, or display its parking position. Benefit from statistical insights into your last trip, and use them to plan a more efficient route next time. It offers also insight to the vehicle manual, quick tips for using the vehicle and its accessories or possibility to interact with your preferred service partner, with a number of further functions just waiting to be explored.

With MyŠKODA application in place, your car remains under your control at all times. The application is available for download on App Store (iOS) and Google Play (Android). ŠKODA Connect features are available based on ordered service bundle: Infotainment Online or Care Connect.

VIDEO ONLINE

CHILD SEATS SAFETY TESTING

Do you want to ensure the maximum safety of your children in the car? The child seats from ŠKODA Genuine Accessories with mounting options for transporting against the direction of travel, comfort and variability, represent the best solution for transporting the smallest passengers.

**Practical
and variable**

**Perfectly
verified**

QUALITY THAT HOLDS AND LASTS

Textile floor mats undergo the heel test that stimulates the action of the driver's foot on the accelerator. Also undergo the load test that stimulates a long driving test.

EXPERIENCE

ŠKODA Genuine Accessories are offered by ŠKODA as optional extras at additional charges. Colours, designs and materials may differ from those in the illustrations. Information such as specifications, appearance, performance, dimensions, weight, fuel consumption and operating costs relating to the illustrated vehicles and products is based on information available at the time of printing this document, and ŠKODA AUTO reserves the right to change these data.

Correct rim and tyre size combinations are available in the Registration Certificate and/or from your dealer. When choosing snow-chains, make sure to follow the indication in your car's certificate of roadworthiness. Wheels depicted on the cars may not be part of the available range.

Please contact your ŠKODA Partner for information as to which products are available and suitable for your model, what restrictions apply, the installation times required and costs. Subject to change without notice.

Vehicle parameters such as weight, rolling resistance and aerodynamics may vary depending on additional equipment and accessories (attachments, tyre sizes, etc.) and may, together with weather, traffic conditions and individual driving styles, affect fuel consumption, electricity consumption, CO₂ emissions and other performance parameters. ŠKODA Genuine Accessories are not used to determine consumption and emission levels, and can therefore only be fitted after the vehicle's first registration.

MyŠKODA

Enjoy full control of your car. Download MyŠKODA application and access all necessary features anytime, whether it's driving data, fuel range, planning a route or even where you last parked.
